## ELITE Filter Cages

# ProSpare

ProSpare have introduced a new range of support cages to suit tubular, envelope and multi pocket filter bags. Following our appointment as sole distributor for europe's leading filter cage manufacturer we are able to benefit from their automated high volume production and pass on competitive prices to the UK market. ELITE filter cages are designed to enhance filtration efficiency and engineered to offer long life cost effective performance. Over 40 years of expertise ensures high quality and accuracy come as standard.

**10,000 standard designs**

**Over 400 venturi designs**

**Wide range of surface finishes**

**Diameter: 40mm – 240mm**

**Length: 200mm – 6500mm**

**Vertical stringers: 4 – 24**

We have brought together one of the widest ranges of replacement filter components under one roof in UK. The ELITE range of filter cages is complimented by ELITE filter bags and ELITE filter cartridges making ProSpare a one stop solution for all of your filtration needs.

Wire mesh inserts for  
Multipocket Bags
